7 of motor vehicles shall not engage in business in this state at any location without a
8 license issued for that location as provided in KRS 190.010 to 190.080. If a person
9 acts as a motor vehicle salesperson, he shall secure a motor vehicle salesperson's
10 license in addition to a license for a motor vehicle dealer. The motor vehicle
11 commission may provide by administrative regulation for other licensee activities
12 and an appropriate fee.
- 13 (2) A manufacturer of motor vehicles, factory branch, distributor, distributor branch, or
14 wholesaler shall not engage in business in this state without a license as provided in
15 KRS 190.010 to 190.080.
- 16 (3) A factory representative or distributor representative shall not engage in business in
17 this state without a license as provided in KRS 190.010 to 190.080.
- 18 (4) Application for license shall be made to the licensor, at a time, in a form, and
19 containing information the licensor shall require and shall be accompanied by the
20 required fee. The licensor may require in the application, or otherwise, information
21 relating to the applicant's solvency, his financial standing, or other pertinent matter
22 commensurate with the safeguarding of the public interest in the locality in which
23 the applicant proposes to engage in business. The information may be considered by
24 the licensor in determining the fitness of the applicant to engage in business as set
25 forth in this section.
- 26 (5) All licenses shall be granted or refused within thirty (30) days after submission of a
27 complete application and shall expire, unless revoked or suspended, on December

1 31 of the calendar year for which they are granted. If a complaint of unfair
2 cancellation of dealer franchise is in the process of being heard, a replacement
3 application for the franchise shall not be considered until a decision is rendered by
4 the commission.

5 (6) The license fee for a calendar year, or part thereof, shall be as follows:

6 (a) For new motor vehicle dealers, one hundred dollars (\$100) for each office or
7 branch or agent thereof, plus one hundred dollars (\$100) for a supplemental
8 license for each used car lot not immediately adjacent to the office or to a
9 branch;

10 (b) For used motor vehicle dealers, one hundred dollars (\$100) for each office or
11 branch or agent thereof;

12 (c) For motor vehicle leasing dealers, one hundred dollars (\$100) for each office
13 or branch or agent thereof;

14 (d) For restricted motor vehicle dealers, one hundred dollars (\$100) for each
15 office or branch or agent thereof;

16 (e) For motorcycle dealers, one hundred dollars (\$100) for each office, branch, or

27 (k) For nonprofit motor vehicle dealers, one hundred dollars (\$100); and

1 (l) For nonprofit motor vehicle dealer salespersons, a license fee shall not be
2 imposed.

3 (7) The licenses of dealers, manufacturers, factory branches, distributors, and
4 distributor branches shall specify the location of the office or branch and shall be
5 conspicuously displayed there. If the location is changed, the licensor shall endorse
6 the change of location on the license. A licensee shall not be charged a fee for
7 changing locations. A change of location shall require a new application. A motor
8 vehicle dealer who is not a new motor vehicle dealer~~[licensee]~~ may conduct a
9 temporary sale or display in the county where the dealer is licensed to conduct
10 business. A new motor vehicle dealer may conduct a temporary sale or display in
11 the dealer's market area as defined in KRS 190.047(6). A temporary sale or
12 display under this subsection shall be allowed if the temporary sale or display is
13 permitted under an enabling ordinance enacted by the city, county, urban-county, or
14 consolidated local government within whose boundaries the temporary sale or
15 display is to be conducted. A temporary sale or display shall be advertised as
16 temporary in nature and shall consist of a representative sampling of the inventory
17 of each participating licensee. The provisions of this subsection shall not apply to a
18 nonprofit motor vehicle dealer.

19 (8) Every salesperson, factory representative, or distributor representative shall carry
20 his license when engaged in business, and display it upon request. The license shall
21 name his employer; and in case of a change of employer, the salesperson shall
22 immediately mail his license to the licensor who shall endorse the change on the
23 license without charge.

24 (9) If the licensor has reasonable cause to doubt the financial responsibility or the
25 compliance by the applicant or licensee with the provisions of this statute, the
26 licensor may require the applicant or licensee to furnish and maintain a bond in a
27 form, amount and with sureties up to one hundred~~[not less than fifteen]~~ thousand

dollars (\$100,000)~~(\$15,000)~~, conditioned upon the applicant or licensee complying with the provisions of the statutes applicable to the licensee. The bonds shall be executed in the name of the State of Kentucky for the benefit of any aggrieved parties, but the penalty of the bond shall not be invoked except after a court adjudication. The commission may promulgate administrative regulations to permit the applicant to submit evidence, in lieu of posting bond, that reliable financial arrangements, deposits, or commitments exist providing assurance, substantially equivalent to that afforded by a bond complying with this subsection, for payment on conditions and indemnity set forth in this subsection. The bonding requirements of this subsection shall not apply to manufacturers, factory branches, and their agents.

(10) Application for dealer's license shall be submitted to the commission and contain information the commission may require. A motor vehicle dealer, unless licensed under KRS 190.010 to 190.080, shall not be permitted to register, receive, or use any motor vehicle registration plates.

➔Section 2. KRS 190.033 is amended to read as follows:

(1) Except as provided in subsection (4) of this section, a motor vehicle dealer's license, motor vehicle auction dealer's license, or wholesaler's license shall not be issued or renewed unless the applicant or holder of the license shall have on file with the commission an approved indemnifying bond or insurance policy issued by a surety company or insurance carrier authorized to transact business within the Commonwealth of Kentucky. The term of the bond or policy shall be continuous and shall remain in full force until canceled under proper notice. All bonds or policies shall be issued in the name of the holder or applicant for the dealer's license

1 or wholesaler's license. The bond or policy for all dealers except automotive
 2 recycling dealers shall provide public liability and property damage coverage for the
 3 operation of any vehicle owned or being offered for sale by the dealer or wholesaler
 4 when being operated by the owner or seller, his agents, servants, employees,
 5 prospective customers, or other persons. In circumstances where a customer's or
 6 other person's vehicle is out of use because of breakdown, repair, or servicing and a
 7 motor vehicle is loaned, with or without consideration, the coverage mandated by
 8 this section shall be in excess of, and be deemed secondary to, the collision, bodily
 9 injury, and property damage liability coverage under a customer's or other person's
 10 own coverage for that person's own negligence; otherwise the coverage mandated
 11 by this section shall be primary.

12 (2) The amount of insurance shall be two hundred fifty~~one hundred~~ thousand dollars
 13 (\$250,000)~~(\$100,000)~~ for bodily injury or death of any one (1) person; five~~three~~
 14 hundred thousand dollars (\$500,000)~~(\$300,000)~~ for bodily injury or death in any
 15 one (1) accident; and two hundred fifty thousand dollars (\$250,000)~~(\$50,000)~~
 16 property damage. The bond or policy for automotive recycling dealers shall provide
 17 commercial general liability coverage in the amount of two hundred fifty~~one~~
 18 ~~hundred~~ thousand dollars (\$250,000)~~(\$100,000)~~ for bodily injury or death of any
 19 one (1) person; five~~three~~ hundred thousand dollars (\$500,000)~~(\$300,000)~~ for
 20 bodily injury or death in any one (1) accident; and two hundred fifty thousand
 21 dollars (\$250,000)~~(\$50,000)~~ property damage.

22 (3) A bond or insurance policy shall not be canceled unless fifteen (15) days' notice by
 23 the bondsman or insurance carrier has been given in writing to the commission.
 24 Upon the cancellation of any bond or insurance policy required, the right to engage
 25 in the business of a motor vehicle dealer or wholesaler shall immediately abate. If
 26 the bond or insurance policy is reinstated within thirty (30) days from the date of
 27 cancellation, the rights granted by the license shall again be in force and effect;

1 otherwise, the license shall become void.

2 (4) A dealer that has a certificate of authority from the Department of Insurance
 3 demonstrating proof of self-insurance is exempt from this section.

4 ➔Section 3. KRS 190.058 is amended to read as follows:

21 constitute a quorum for the transaction of any business, for the performance of any

23 (13) The commission may hold hearings that shall be conducted in accordance with KRS
 24 Chapter 13B. A member of the commission shall not participate in the deliberations
